**Re: Invitation to visit University College London, Biomedical Data Science Group**

**Dear Sir or Madam,**

I hereby confirm that Dr. Rodrigo Gonzalez Barrios de la Parra participated in the course on Epigenetics in the University College of London, United Kingdom, from November 3 to 9, 2016. He was invited to visit my research group and satisfactorily gave lectures about Epigenetics and its importance in medicine.

Furthermore, he participated actively in group meetings, in which we structured possible future long term collaborations between SDU and UNAM-INCAN institutions.

If further questions arise please do not hesitate to contact me.

**Best regards,**
