UMR 7600

September 14, 2022

To whom it may concern:

This is to certify that Professor Guillermo Chacón-Acosta participated in the workshop "Transport in Narrow Channels" held in Cargèse, Corsica (September 5-9, 2022) during which he gave an invited talk entitled "Diffusion-driven instability and pattern formation in narrow channels."

Sincerely,

Julian Talbot  
Directeur de Recherche (Senior Research Scientist) CNRS
