Confirmation, start of sabbatical collaboration

Dear Committee members,

I hereby confirm that Dr Guillermo Chacón Acosta stated his collaboration with me here at the Institute of Physics & Astronomy of the University of Potsdam starting this week. For now, we have provided Dr Chacón Acosta with office space and access to the institute's facilities. His sabbatical began on January 7, and we plan to conclude on September 23.

Please do not hesitate to be in touch with any questions.

Sincerely,

Prof Dr Ralf Metzler
